Purolator Closure—September 30

Purolator will be closed tomorrow (Thursday, September 30th) in observance of the National Day for Truth and Reconciliation. This means that new and existing/pre-arranged Purolator pickup requests for Thursday will not be fulfilled. We would like to remind you of the importance of prompt shipping of newborn screening samples. **To minimize any potential delays this week, please ensure that all samples that are ready to ship are sent today and Friday, and that the Saturday Delivery option is selected for samples shipped on Friday.**
